Dear Ms. Miller:

Re: Harvey County Democratic Central Committee Report of January 10, 2006

After talking with you this afternoon and going through my papers on information I have received from the committee, I find a list of contributions that were made in connection with the promotion held at the Christine Downey Farm last year. It does list Randy Brown as having made a contribution of \$525 and I am enclosing that list here for your information and for clarification and completion of my report. I can say unequivocally that \$525 was included in the unitemized contributions of \$2,826.50 that was reported as of January 4, 2006 and that in actuality the unitemized should be reduced by the \$525 and then the itemization of Randy Brown of \$525 should have appears on the report.

I trust that this will take care of the matter. Thank you very much.

Sincerely,
