(Period covering January 1, 2007 – December 31, 2007)
Mary Ca Ralstin, State Board of Education, District 2

Dear Carol,

This is to advise that the initial expenses incurred by the candidate in November 2007 were not included in Schedule B for in-kind expenses in the campaign finance report covering that period. These figures do not affect the account. These two expenses were paid by the candidate directly, and not reimbursed.
