RE: Notification of Material Error or Omission in A Receipts and Expenditure Report  
Representative Stephanie Sharp – Dated September 20, 2007

Dear Carol:

Please accept this letter of explanation regarding the above referenced matter for the filing period ending October 30, 2006. The contributions in question (Builders Association PAC and Kansas Realtors PAC) were reported on the subject report as of the date these checks were deposited into the campaign account as opposed to the date received by the candidate. The dates on these checks were July 20 and July 12, which were received for the primary election. The campaign then received additional contributions from these PACs, checks dated September 13 and October 5, intended for the general election period.

If further explanation and/or documentation is necessary, please let me know and I will be happy to provide the same.

Sincerely,

Michael A. Boehm,  
Treasurer
