AMENDED

Dear Sir:

In reference to your communication of Material Error or Omission in a Receipts and Expenditures dated 26 August 2008 regarding a contribution from Heavy Constructors Association PAC of \$200.00 on 25 June 2008 to the campaign of Laura Janas Gasbarre for 40th District State Representative I respectfully submit the following information.

1. All monies that were collected for this campaign were documented and reported as required by statutes.
2. Only 2 donations for exactly \$200.00 were made to the campaign. The first was a personal donation dated 11 June 2008 from T J Snyder. The second was a personal donation from the candidate's daughter, Aubrey Gasbarre, dated 11 July 2008.
3. No donations were received on 25 June 2008
4. To our knowledge neither Laura Janas Gasbarre nor myself know or have met anyone representing Heavy Constructors Association PAC.

On the strength of the above statements I submit that Heavy Constructors Association PAC is in error and did not contribute to this campaign and no donation for \$200.00 or any other amount was received by this campaign from them.

I am more than willing to supply additional information if requested by your office.

Respectfully,
