AMENDED

October 7, 2008

Representative Schroeder received a donation from the Kansas Restaurant and Hospitality Association PAC for \$200.00. The date on the check was May 14, 2008 which would be in conflict with accepting donations while the house is in session. The Ks. Restaurant Association has records that indicate the date was in error. This check (number 2246) was distributed on or about July 23, 2008 and deposited with other checks on July 29, 2008.

Sincerely,

Daryl Regier
Treasurer for Don Schroeder
