AMENDED

To Whom It May Concern:

In regard to a conversation I had with Ruth on the morning of October 9, 2008, she asked that I respond to the enclosed letter in writing.

In the matter of issue #1 on the back, we did receive a total of \$500 from the Builders Assn. Of Kansas PAC.

The first check was dated 7-18-08 in the amount of \$150.00. On 7-30-08 we received another check dated 7-29-08 in the amount of \$350.00.

This check fell within the second reporting period and will be reported on the October report. She also told me that an amended report is not required.

Hopefully this explains the discrepancy and if there are any more questions, please contact me. Thank you for your time.

Sincerely,

Dana Weninger
