● **Comments:** In regards to the letter dated September 19, I have checked for a \$500 deposit from CRNA Association and found none. I have written the letter below to the four individual companies that sent small donations to me and refunded that amount to them. The check #s are 1333,1334, 1335. and 1336. The expenditures will appear on my next report.

Thanks for bringing these errors to my attention. I will be more aware of the situation in the future.

EXAMPLE LETTER

Dear Gene & Pat,

I wanted to make sure that I thanked you for your generous gift last year for my campaign. At the time, I did not realize that it was not legal for me to accept the check while we were still in session because it was under the name of a business. I apologize for my mistake and want to send you back the amount that you contributed.

Thank you once again for your support. It means a great deal to me.

Sincerely,

Peggy Mast

Thanks for your patience allowing me to get this resolved. I appreciate you bringing it to my attention.
