AMENDED

This letter is in response to the letters of notice I received October 15, 2009, regarding amendments to my campaign finance report filed on October 28, 2008.

First of all, I did receive and do acknowledge that I should have listed two contributions on the last minute contribution report rather than the October report. It was an oversight on our part, and we will make every effort that it not happen again.

Secondly, we do not have a record of receiving the contribution from the Kansas Building Industry, and so that is why it was not listed on our report. We never received the contribution.

Finally, we apologize that we did not list both the occupation and industry of individual donors giving more than \$150.00. We did list the occupation of each of these individuals, and attached to this document you will find a list of those individuals and both their occupations and industry. For the attorneys, which is the majority of this list, we did the best we could as far as "industry", because most of them were attorneys from small firms and had several areas of practice.

If you have any questions please do not hesitate to ask.

All best

Josh Svaty
