KS Governmental Ethics Commission

Dear Ms. Renna,

The campaign checking account is closed and we do wish to terminate the account at this time. At the end of the campaign after all other expenditures the campaign checking account held a balance of \$32.16. The campaign wrote a check payable to the candidate in this amount as a partial repayment of the candidate's loan to the campaign and the remainder was forgiven.

Please let me know if you have any questions.
