Dear Director Williams:

In reviewing my campaign finance report for the October 24 thru December 31 reporting period I have discovered that a contribution was made from my campaign account to that of Senator Jim Barnett in error. I personally wrote the check which should have come from my personal checking account. The amount of the check was \$250.00 (check #1266 made on October 31, 2008). I am reimbursing my campaign account today.

In November and December I spent a total of \$832.30 from my campaign account to attend the NCSL fall forum in Atlanta. I claimed these expenses to Legislative Services and on January 5th I received reimbursement for these costs made to me personally. I am also reimbursing the campaign account for those expenses.

If there are questions regarding these transactions you may contact me at my Topeka office, at home or call my cell phone 620-341-3716. Thanks for your good work. I apologize for the confusion on my part.

Best regards,

  
Don Hill
