Attention: Katrina

In response to your recent communication regarding final reports to be filed, please know that two contributions given to Pam Frieden (\$25) and KC Ohaebosim (\$50) were made from my personal checking account and not through the campaign account. These personal donations should not have been added to my campaign reports. Further, all negative balances incurred during this campaign were covered by my personal funds.

Hopefully, this communication finalizes my responsibilities for *receipts and expenditures reports* that were due for my campaign in 2008.

Should you have additional questions, please do not hesitate to contact me by cell phone at (316) 640-7021.

Thanks,

Cheryl McFarthing
