Re: Amended October 27, 2008 campaign report
112th District

To whom it may concern:

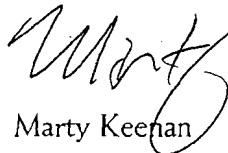

As you know, my campaign accidentally omitted a \$500.00 donation from the Carpenter's District Council of Kansas City received on July 25, 2009. On August 13, 2009, I filed an amended campaign report to reflect that omission.

In reviewing our books and papers, that \$500.00 was repaid to me as a partial repayment of the loans I made to the campaign.

In other words, on my final campaign report, the actual amount paid back to me for loans made to the campaign would be \$533.67, instead of the \$33.67 as originally listed.

Thank you for calling the omission to our attention and allowing us to correct the report.

Very truly yours,

Marty Keenan
