My campaign had accidentally omitted contributions to my campaign that were made prior to the October 25, 2010 report.

8-30-10	HCA Ks Good Government Fund	\$500
9-02-10	Kansas Dental PAC	\$500
9-14-10	KS Restaurant & Hospitality Assn	\$250
9-15-10	KS National Education Assn PAC	\$500

These contributions would have changed my total contributions on the October 25th report to \$16,700, and my total cash on hand to \$8,493.73. These omissions would have then changed my January report cash on hand at the close of the period to \$15,594.73.

Thank you
