To Whom It May Concern:

Per a conversation today with the Kansas Governmental Ethics Commission, we have been advised to refund the contribution from YOPAC dated 12/30/11 since we are unable to verify it was received prior to 12/31/11. We refunded the check for \$250.00 from YOPAC on this date, 01/13/12.

We understand that we should indicate this refund was made on Schedule C in our next Receipts and Expenditures Report which is due in July, 2012.

We are requesting that you post this correspondence with our Receipts and Expenditures Report of January 10, 2012.

Sincerely,
