RE: Amendment to the July 30, 2012, Receipts & Expenditures Report

The Receipts and Expenditures Report filed for July 30, 2012 should have contained an entry for the payment of the candidate's filing and/or registration fee of \$ 105.00. If the fee was paid by the candidate from personal funds it should have been reported on Schedule B (In-Kind Contributions) and on Line 6 of the cover summary page. If the filing fee was paid from campaign funds, this expenditure should be listed on Schedule C (Expenditures and other disbursements).

Please indicate below what means was used to pay the fee, and on which schedule (Schedule B or C) the filing fee should appear.
