KS Governmental Ethics Commission

Carol,

I have received your notice to amend my July 2012 report. We had visited about it on the phone at one point and I thought by correcting it on the December 2012 report would be sufficient.

I have addressed the \$100 listed without a name and the refund of \$250 to the Kansas Health Care Assoc as well on the report that is to be filed December 2012.

Your assistance has been appreciated in addressing this issue.

Thank you,

Brenda
