We have sent a check for \$44 to 2nd Harvest, a food bank that serves the Leavenworth area. I have attached a scan of the check for your records.

I have amended Schedule D and the Summary Sheet electronically to show an unpaid loan balance of \$525. I could not get the amendment block to check. I have also included a scanned copy of the report in the event the electronic file did not work properly.

Please review, and if there is more information needed or amended please let me know.

Please confirm that you received the e-mail.

Thank you.
