Dear Karina,

As we discussed on the telephone, the 10/22/2013 contribution of \$500 from the Kansas State Rifle Association PAC was received. Towards the end of Jana's last run for the Kansas House of Representatives, she set up a website with the capability to receiving funds via PayPal. She did not inform me nor was it tied to her campaign checking account. After speaking with Jana, she determined the \$500 contribution, less a \$14 fee, is sitting in her PayPal account. Also in the PayPal account is a \$10 contribution, less \$0.59 fee, from Katie Smith from 10/19/2012.

The adjusted 01/10/2013 loan payable to Jana is \$17,286.60.

Jana forgives this loan amount.
