Carol,

In regard to the beginning balance of my October 29, 2012 Campaign Finance Report, consider this information as an amendment to that report. A last minute contribution was thought to have been filed electronically, but was not received by your office. The contribution was on August 1, 2012 from:

Walnut Valley Teachers UNIPAC  
7701 E. Kellogg Dr., Suite 880  
Wichita, KS 67207-1703

Amount \$500.

This would make the beginning balance of my October report \$13,362.80. It would also make total contributions for that report to be \$19,008.00. The ending balance would remain the same.

I would also like to amend my October 29, 2012 report to indicate that the August 24, 2012 Contribution of \$500, which was listed as being from the Winfield NEA PAC, was actually from the Kansas National Education Association PAC. This should reconcile the discrepancy between contributions from these two PACs. The error was inadvertent but should not change the ending balance of the October 29, 2012 report.

Thank you for your understanding.

Sincerely,
