To whom it may concern:

Please consider this letter an amendment to the October 29, 2012 report for Kansas State Representative Ronald W. Ryckman of Meade County and District 115. A contribution from Anheuser Busch in the amount of \$200.00 was lost in the mail and therefore was not deposited. Therefore the correct balance for total contributions and other receipts is \$10150.00 and our new ending balance for cash on hand at close of period is \$18377.11. Thank you very much.

Sincerely,
