I am closing my campaign and donating the excess fund of \$35.03 to the Sedgwick County Republican Party.

I hope this satisfies my obligations. If not let me know and I will get right to it.

Thanks, Dan Heflin

Mr. Heflin,

This email is in response to your call concerning the Failure to File Notice you received for your failure to file the January 10, 2013 Receipts and Expenditures Report. Since you still showed a balance of \$35.00 in your campaign account you are required to file the January 10, 2013 report. You stated that you were donating that money to the Sedgwick County Republican Central Committee and that you wish to terminate your account. If you will just respond to this email stating those facts that will take care of this matter.

Thank you,
Donna Williams
