Re: campaign contribution

Dear Ms. Williams,

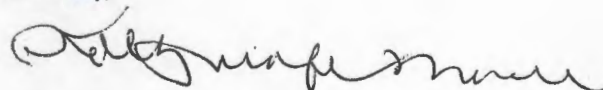

This letter is response to your letter dated September 26, 2014 and to explain the underlying circumstances.

Laborers Local Union 264 PAC; check #1521 in the amount of \$100, dated 12/22/11.

This contribution, was originally reported in the July 30, 2012 Campaign Report and was subsequently deposited on July 31, 2012. The bank determined the check to be stale and refused to accept it. The October 29, 2012 Report reflected the contribution on Schedule C as "returned out of date". The check was inadvertently mixed with later contributions and included in a January 9, 2013 deposit. It was accepted by the bank at that time. It was then reported on the January 10, 2014 Report. Given this history, the date of deposit was entered as the date of receipt, which incorrectly inferred that the contribution was received during the Legislative Session. This history was related to your staff by phone in July 2014 and again last week. Under these circumstances I understand that this contribution does not need to be returned.

I apologize for any confusion and can assure you that I have every intention to fully comply with the Campaign Finance laws. Please advise if further information or action is necessary. Your cooperation and consideration is appreciated.

Sincerely,

Representative Kathy Wolfe Moore
