Dear Ms. Renna,

RE: Receipts and Expenditures Report Due October 27, 2014

Thank you for bringing to my attention the error in my report. As your letter states, KNEA did write two \$500 contributions to my campaign. However, the intent was only to make the contribution one time. Due to failure on my part, the first check they sent did not get deposited in a timely manner. I ended up only depositing one \$500 check and voiding and destroying the other one. I notified KNEA of this action at the time, although I cannot find an email record of that conversation at this time; it must have been a phone message. Please let me know if I may be of further assistance in this matter.

Sincerely,

Elizabeth C. Arnold
