1. According to the verified statements filed with the Secretary of State, Laborers Local Union #319 reports making a \$200 contribution to Melissa Rooker on 9-9-14. This contribution was not reported by your campaign. If this contribution was received, it must be reported on Schedule A (Contributions and Other Receipts) on the October 27, 2014 report. This error will cause the cash balance on the front page summary sheet to be incorrect. Therefore, an amended front page summary sheet must also be filed. If the campaign did not receive this contribution, please note this fact in a letter to the Commission.

2. Schedule A (Contributions and Other Receipts) of the amended October 27, 2014 report lists a \$300 contribution from Heavy Constructor's PAC on 10-11-14 and a \$300 contribution on 10-9-14 from HCA PAC. It appears this contribution from Heavy Constructor's PAC is a duplicate entry since they report giving only one \$300 contribution to the Melissa Rooker campaign on 10-7-14. If this is a duplicate entry, an amended Schedule A for the October 27, 2014 report must be filed removing one of the contributions.

3. According to the reports filed with the Secretary of State, KCP&L Power PAC reports making a \$250 contribution on 9-12-14 and the Travel Industry Association of Kansas PAC reports making a \$100 contribution on 10-21-14. These contributions were reported by the Rooker campaign on the original report filed on October 27, 2014. However, they were not included on the amended report filed on October 28, 2014. Also, not listed on the amended report, is a \$250 contribution from ITC and a \$250 contribution from Rick Tinberg. The date of receipt of these four contributions was October 24, 2014. If the campaign did receive these contributions, they must be reported on Schedule A (Contributions and Other Receipts) of the October 27, 2014 report.

4. According to the verified statements filed with the Secretary of State, Eli Lilly Company PAC reports making a \$500 contribution to Melissa Rooker on 8-27-14. This contribution was not reported by your campaign. If this contribution was received, it must be reported on Schedule A (Contributions and Other Receipts) on the October 27, 2014 report. This error will cause the cash balance on the front page summary sheet to be incorrect. Therefore, an amended front page summary sheet must also be filed. If the campaign did not receive this contribution, please note this fact in a letter to the Commission.

If you have any questions, feel free to contact this office.
