1. According to the reports filed with the Secretary of State, Kansas New Energy Economy PAC reports making a \$300 contribution to Diana Dierks on 12-16-13. This contribution was not reported by your campaign. If this contribution was received, it must be reported on Schedule A (Contributions and Other Receipts) on the January 10, 2014 report. This error will cause the cash balance on the front page summary sheet to be incorrect. Therefore, an amended front page summary sheet must also be filed. If the campaign did not receive this contribution, please note this fact in a letter to the Commission.

2. The January 10, 2014 report filed by the Dierks campaign did not reflect a \$200 refund to Advance America for an excess contribution which was received during the 2012 election period. A Notification of Material Error or Omission In A Receipts and Expenditures Report was mailed to the Dierks campaign on August 13, 2013 regarding the \$200 excess contribution. This contribution must be refunded immediately and should be noted on the July 28, 2014 Receipts and Expenditures Report.

If you have any questions, feel free to contact this office.
