Subject: Jan Kessinger contribution

RECEIVED

SEP 06 2016

KS Governmental Ethics Commission

I understand that I recorded a contribution incorrectly on the January Contribution & Expenditures report for Jan Kessinger, candidate for house representative for the 20th district.

I showed that John Nobles gave \$1000.00 but should have shown that John Nobles gave \$500.00 and Linda Nobles gave \$500.00.

Thank you for bringing this to my attention and correcting the problem.
