Kansas Ethics Commission  
109 SW 9<sup>th</sup> Street, Suite 504  
Topeka, KS 66612

Dear Commission,

I am writing you today to clarify two matters that were brought to our attention by the Kansas Ethics Commission.

According to the January 10, 2016 report filed by the Kansas Chamber Of Commerce Jobs PAC, they reported giving a \$100 in-kind contribution to the Marvin KleeB campaign. We acknowledge the contribution and amend our reported by adding \$100 to our 2015 Schedule B report bring our total 2015 Schedule B report to \$166.19.

According to our January 10, 2016 Report, a contribution was dated incorrectly as being accepted on March 25, 2015, this would be the check from Verizon for \$150. The contribution was received on or about June 27<sup>th</sup>, I've attached the cover letter that accompanied the check.

I do appreciate your time and allowing me to inform the Commission on the corrections that have been completed. Please let me know if you require additional information.

Sincerely,

Marvin KleeB
