Re: Notification of Material Error or Omission In A Receipts

This is a second response to your letter regarding the contribution to the Larry Miller campaign for House District 27 from Teamsters Local 696 DRIVE for Kansas PAC dated December 19, 2016.

As stated before, this contribution was received on June 18, 2016 and was deposited at Bank of America account for the campaign on June 24th. There was no violation of any contributions during the special session of the Kansas Legislature. If a mistake was made, it was the day of the deposit.

If you require copies of the check, please feel free to contact me at 913-620-4289.
