Dear Ms. Williams,

The purpose of this letter is to inform you that the Campaign Finance report due on July 25, 2016, should have included an additional contribution. We opened the campaign's checking account on December 17, 2015 with \$500.00 from my personal checking account. As we have begun preparing the report due on October 31, 2016, we discovered the omission from the July report. It was simply an oversight.

The Total Contributions, as listed on the Summary Page of the July 25, 2016 report, should actually be \$35,315. The cash on hand at close of the period should be \$13,752.

Should you have any questions or require any additional information, please contact me at 785-221- 3853.

Sincerely,

  
Brenda S. Dietrich

Dear Ms. Williams,

Thank you for your letter dated, August 31, 2016, notifying me that Schedule A of the July 25, 2016 Campaign Finance Report, listed a \$100 contribution as being received on 5-4-16 from John Hunter and Associates, LLC.

As a point of clarification, the check was dated May 4, 2016, but the campaign did not receive the check until July 13, 2016. It was deposited in the campaign account on the same day it was received, which again, was July 13, 2016.

I appreciate being made aware of this error and for the opportunity to clarify the date of receipt.

Should you have any questions or require any additional information, please contact me at 785-221- 3853.

Sincerely,

  
Brenda S. Dietrich
