RE: Jeremy Alessi - Receipts and Expenditures Report 10/31/16 – Notification of Material Error or Omission

I received your notification that the Receipts and Expenditures Report dated 10/31/16 for Jeremy Alessi's campaign omitted two contributions. Below are the contributions in question and the resolution:

1. Kansas Insurance Agents PAC - \$150 on 7/18/16: We did not receive the contribution. I asked Shannon Bower with the Kansas Association of Insurance Agents to verify that the check has not been cashed. She confirmed that the check did not clear the bank. She will file a corrected return to delete the contribution.
2. Wichita Metro Chamber PAC - \$500 on 7/15/16: We did not receive the contribution. I asked the Chamber to verify that the check has not been cashed. She confirmed that the check did not clear the bank. She will file a corrected return to delete the contribution.

If you have additional questions, please call me.

Sincerely,

Steven Martens  
Treasurer for Jeremy Alessi
