This is to inform you of a forgiven loan from Cammie Funston to the Cammie Funston campaign. She lent \$500 on 5/25/2016. On October 21, 2016, she asked that it be listed as a donation instead of a loan.

I hand wrote that information on the report dated October 31, 2016 on page 13. I also noted the change on page 8. Therefore I did not mention it again on the report dated January 1, 2017.

This letter is to amend our finance statements of October 31, 2016 and January 1, 2017.

Thank you,

Liz Hicks, treasurer  
Cammie Funston campaign
