Schedule C (Expenditures and Other Disbursements) of the October 31, 2016 report shows expenses in the amount of \$1401.75 for ATM withdrawals for mileage. Pursuant to Advisory Opinion 2007-14, the candidate can only be reimbursed for mileage at the state mileage reimbursement rate. The Commission opined "due to the difficulty in determining the allocation of vehicle expenses between a candidate's personal use of a vehicle and the candidate's use of a vehicle for holding political office or for campaign purposes, the Commission now determines that beginning January 1, 2008, the use of campaign funds to pay for otherwise un-reimbursed vehicle expenses will be limited to the state mileage reimbursement rate." When claiming reimbursement for mileage from campaign funds, the treasurer needs to keep detailed records for mileage expenditures showing the dates of travel, the necessity for and specific purpose of the travel, and the actual mileage traveled. It will be necessary for the candidate to reimburse the campaign account for the fuel purchased with the ATM withdrawals. This reimbursement will need to be disclosed on Schedule A (Contributions and Other Receipts) on the January 10, 2018 Receipts and Expenditures Report. The candidate can be reimbursed for the miles driven at the state rate of 54 cents per mile. If done, this expenditure would be disclosed on Schedule C (Expenditures and Other Disbursements) on the January 10, 2018 report.
