Dear Ms. Renna:

Thanks for your letter of May 24, 2018. The expense, in question, occurred while David O'Dell was still campaign treasurer. But, I have looked at the campaign records, and visited with Les about the expenditure.

The van was rented for the purpose of transporting some members of the House Committee on Commerce, Labor, and Economic Development, which he chaired, along with other key legislative allies to an organized dinner in Wyandotte County.

Committee members included:

Les Mason, Chair  
Committee assistant Fran Lusk and spouse  
Dave Baker  
Roger Elliott  
Tom Phillips  
Ken Corbet and spouse  
Joe Seiwert and spouse  
Brad Ralph

Non-committee members included:

Dan Hawkins  
Willie Dove  
Jack Thimesch

Should you need further information, feel free to contact.

Yours truly,

Kala Mason
