RE: Waymaster for House  
Letter Dated 6-26-18

To Whom it May Concern,

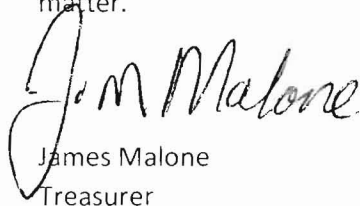

In response to your letter dated 6-26-18 I offer the following:

Item One - \$200 from Kansas Dental PAC was received by Campaign on December 30, 2016. Because of the holiday it did not get deposited until January 3, 2017. On Campaign Report for the period ended December 31, 2016 Receipt Date was listed as the day deposited and not date received. See Attached. Deposit does not need to be returned and will not be.

Item Two - Campaign did not receive donation of \$350 on December 18, 2017 from Nurse Anesthetists PAC.

Item Three - \$1000 check was written on October 13, 2016, check #569 and reported on Report ended October 27, 2016. See Enclosed. RHCC held check until July 2017 for some reason as it cleared the Campaign bank account on July 18, 2017.

After reviewing above and attached please mark all previous reports as accepted as filed and close this matter.
