Good morning!

Hope your campaigns and summers are going well! As we near the July 30th deadline for campaign finance reports, I wanted to be sure you had the information about the Kansas Chamber JOBS PAC in-kind contribution of the i360 data file to your campaign. You will report it on Schedule B of your campaign finance report. Here is the information for each field:

Date: When you received or began using the information (any time after Sine Die)
Name and Address of Contributor: Kansas Chamber JOBS PAC, 835 SW Topeka Blvd; Topeka, KS 66612
Description of In-Kind Contribution: Voter data file
Value: \$360

Please feel free to give me a call at 913-548-8255 if you, or your campaign treasurer, have any questions.

Have a wonderful day!
Christie
