Notification of Material Error or Omission
In A Receipts and Expenditures Report

RE: Receipts and Expenditures Report Due October 29, 2018
(Covering the Period July 27, 2018 thru October 25, 2018)

A review of your Receipts and Expenditures Report identified above indicates the material error(s) or omission(s) listed on the other side of this page. Such error(s) and omission(s) must be corrected within thirty (30) days of the date of this notice.

File the amended report within thirty (30) days with:

Secretary of State

As provided by law, a copy of this notice has been made a part of your record in the Secretary of State's Office. The intentional failure to file an amended report within thirty (30) days is a class A misdemeanor. In addition, you may not accept contributions or make expenditures following the end of the thirty (30) day period if the amended report has not been filed.

Additional information and assistance may be obtained by writing or calling this office. If after having contacted this office substantial issues remain unresolved, you may within ten (10) days of receipt of this notice request a hearing before the Commission.

Sincerely,

Mark Skoglund
Executive Director

1. K.A.R. 19-29-3(a)(4) states that illegibility of a receipts and expenditures report is a material error or omission in a report. K.S.A. 25-4148 (e) further states that the Commission may require any treasurer to file an amended report for any period for which the original report filed by such treasurer contains material errors or omissions.

The October 29, 2018 Receipts & Expenditures Report filed by the Pedro Rodriguez for State Representative campaign is illegible. An amended report must be filed which is readable.

2. According to the reports filed with the Secretary of State, the Kansas First Congressional District Democrats PAC reports making a \$100 contribution to Pedro Rodriguez on 9-17-18 and the SEIU Missouri State Council PAC reports making a \$250 contribution on 10-5-18. These contributions were not reported by your campaign. If these contributions were received, they must be reported on Schedule A (Contributions and Other Receipts) on the October 29, 2018 report. This error will cause the cash balance on the front page summary sheet to be incorrect. Therefore, an amended front page summary sheet must also be filed. **If the campaign did not receive these contributions, please note this fact in a letter to the Commission.**
3. Schedule A (Contributions and Other Receipts) and Schedule C (Expenditures and Other Disbursements) of the October 29, 2018 report contain addition errors. The totals listed on both schedules are not the same as the totals on the front page summary sheet. An amended report must be filed correcting these errors.
4. The front page summary sheet indicates \$1,000 for Schedule B (In-Kind Contributions) during the October 29, 2018 reporting period. However, no Schedule B was included with the report. A Schedule B must be filed with the in-kind contribution(s) listed for this reporting period.

If you have any questions, feel free to contact this office.
