State Campaign Finance Director

Attached please find amended sheets as requested from the Grant for Kansans campaign.

I apologize for the errors and have corrected the filing for the July 27 report. I have also corrected our files for the October 26 report.

On the issue of filing the treasurer appointment, I did that on June 1, the day I filed for office. I was told to leave it on the table that I used for completing other forms, which I did. Apparently it did not get processed that day. I found out because I filed an amended report due to a misspelling on the treasurer's name. At that time I was informed that the original form had not been filed with the Ethics Commission and that the amended form would be processed. A copy of the original form is included. I appreciate your leniency on this issue.

Thank you for your guidance and the work you do for candidates.
