Attention: Karina Renna

The KS Beer Wholesalers PAC reported a \$500 contribution to my campaign on 10/17/22. I never received a check in any amount from the KS Beer Wholesalers PAC. I keep copies of checks and the original envelope received. I also scan all checks and bank deposits. I have reconciled all the checks I received in 2022 against the Bank of Labor bank statements and all are accounted for.

The second notice sent to your office required my Treasurer, Tim Quinn, to amend the financial report from October 31, 2022. Tim Quinn has made that amendment.

A separate letter with this explanation will be sent to the Secretary of State. Please contact me if there is further information needed.

Respectfully,

Rep Susan Ruiz
