Karina,

After reviewing our records and bank deposits, we can confirm that the campaign did not receive the \$500 contribution reported on 8/31/22 from the IBEW PAC and the \$250 contribution reported on 9/30/22 from the Kansas Wine & Spirits Wholesalers PAC.

I did call Tuck Duncan, with Kansas Wine and Spirits Wholesale PAC and he was unable to the check was mailed to Tobias' house and not his campaign PO Box. This may have been the issue that the check got lost at home. He said his bank has updated their software and he can not see the check. He said he would show on his next report the check being not cashed and will issue a new check to the campaign.

Regarding the contribution to the Capital Area Democratic Women's club, Tobias Schlingensiepen will reimburse the campaign \$10 from his personal funds to address the issue and reflect that on our January 10<sup>th</sup>, 2024 campaign finance report.

Please let me know if you have any questions.

Sincerely,

Lance Royer  
Treasurer, Tobias for Kansas House
