1. Schedule A (Contributions and Other Receipts) of the January 10, 2022 Receipts and Expenditures Reports lists numerous E Fund contributions. It appears the full amount of the contribution is not reported on some of the e-fund contributions. An amended Schedule A (Contributions and Other Receipts) must be filed with the full amount of the contributions which includes the fee. The cumulative processing fees to WinRed are correctly reported on Schedule C (Expenditures and Other Disbursements).
2. K.S.A. 25-4153 (a)(1) states, "The aggregate amount contributed to a candidate and such candidate's committee . . . shall not exceed the following: for member of the house of representatives, . . . \$500 for each primary election . . . and an equal amount for each general election." The Thompson campaign reported receiving a \$520.06 e-fund contribution on 11-22-21 from Randal Powell. This contribution was received during the primary election period.

Pursuant to K.S.A. 25-4153, the campaign accepted a contribution exceeding the legal limit of \$500. We would suggest that this excess contribution be refunded immediately. **The return of this contribution should be noted on Schedule C (Expenditures and Other Disbursements) of the July 25, 2022 Receipts and Expenditures Report.**
