Schedule C (Expenditures and Other Receipts) of the July 29, 2024 report indicates \$6,172.38 in expenditures for the campaign and no money was received by the campaign for these expenditures. If the expenditures were made by the candidate from personal funds which were not deposited into a campaign bank account, they are to be reported on Schedule B (In-Kind Contributions) from the candidate. The candidate is the contributor, the description of the in-kind contribution is what was purchased and the cost of the expenditure. Only contributions deposited in the campaign bank account should be reported on Schedule A and expenditures made from the campaign account are to be reported on Schedule C. They would only be listed on Schedule C if the candidate was reimbursed by the campaign for the expenditures made personally. An amended report must be filed correcting this error.

If you have any questions, please feel free to contact this office.
