Carol:

I wanted to make sure that everything is in order regarding the "discontinued status" of the so called "Letter to Friends PAC." Since we did not receive the standard reminder to file any reports, I was reassured that everything was current.

However, my curiosity caused me to look on the website to see that the PAC is still listed, so I wanted to follow up to clarify that no additional action is required on the part of the participants of the PAC.

You made it clear that if we continued to operate without changing the name of our PAC that we would not be in compliance with your interpretation of state statutes. At that time I notified you that the pack would discontinue it operations.

Since our last interactions all activities of the Letter to Friends PAC have ceased and there is no intention to utilize this committee or the name of the committee in the future.

Thank you for your advice and consultation regarding this matter.

Best regards,

Richard M. Welton
