Governmental Ethics Commission,

Please accept this letter as an amendment to our October 26, 2006 filing. Our filing was in error as it pertained to the cash on hand at close of the period. The correct amount of cash on hand at the close of the period was \$5721.08 instead of the reported \$5682.58, a difference of \$38.50.

I apologize for any inconvenience this may have caused.

Sincerely,

Thomas Glor, Treasurer
