Re: Reporting for Westar Energy PAC

Please note that on September 13, 2007 a contribution check was written to Representative Cindy Neighbor in the amount of \$200.00. This check was lost so it never got deposited. On July 23, 2008 we wrote a "replacement" check for the lost check and showed it as a replacement check on schedule C of our PAC Receipts and Expenditures Report dated July 28, 2008. However, we showed it as an expenditure but did not add \$200.00 back in our Total Contributions and Other Receipts to show where we voided the original check from September 2007. Please show that our report should have showed Cash on hand at the close of period as \$24,582.38 and not \$24,382.38 that the report shows.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff L. Martin", written over a horizontal line.

Treasurer, Westar Energy Employees PAC
