RE: PAC Registration Fees

K.S.A. 25-4145(d) requires each political action committee to register annually with the Commission. The annual registration fee for your committee is determined by the amount of contributions your committee receives or will be receiving in 2008.

- * for committees anticipating receipts of \$500 or less in any calendar year, the fee is \$20
- * for committees anticipating receipts of more than \$500 but less than \$2,501 in a calendar year, the fee is \$35
- * for committees anticipating receipts of \$2,501 or more in a calendar year, the fee is \$240

Please determine the appropriate fee for your political action committee. Submit the registration fee and the enclosed PAC Registration Statement to the Commission on or before July 1, 2008. Checks should be made payable to the Governmental Ethics Commission.
