Dear Ms. Williams:

We originally set up Citizens for Fair & Impartial Judges as a PAC with your department in April 2008. When we learned that advocacy for a local county election question did not require a Kansas PAC registration fee or the completion of a Receipts and Expenditure Report in 2008, we sent a Termination letter dated July 8, 2008. I apologize for not properly explaining the reason for our termination letter as stated in the preceding sentence.

Please Note: The contribution in the amount of \$9,100 on 09-13-08 to Kansas Judicial Review of Johnson County was for yard signs in support of local Johnson County Election Ballot Question #1. On October 8, 2008, we paid \$2,000 to Kansas City Regional Kansans For Life PAC for them to do a mailing for our group within the property limits of Johnson County. No contributions were made in support of or to a candidate or candidate's committee in either situation.

If you have any questions concerning this report, please contact me at (913) 768-1651.

Sincerely,

James Atchison
Treasurer, Citizens for Fair and Impartial Judges
