On my most recent report of the Bud Burke's PAC I showed a balance in the account of \$181.85.

On June 18, 2009, I requested a transfer of the Blue Valley bank to my account in People Bank of the balance of the account.

On June 22, 2009, the \$181.85 was deposited to the People Bank account and on the following day I wrote a check for \$200.00 to The Women's Transitional Care organization.

The account is now closed and I want to terminate the PAC.

Thank you.
