Dear Ms. Williams;

We are writing to inform you the Life Sciences Fund of the Political Action Committee of the Greater Kansas City Chamber of Commerce will no longer remain active in the State of Kansas. Please note this PAC has not made a contribution to a Kansas candidate or campaign since 2008.

We were informed by your staff this morning of a couple of items:

1. This written communication stating our intent to no longer participate in Kansas contributions would be sufficient to terminate this PAC.
2. We do not have to fill out forms showing a zero balance as we will remain active in the State of Missouri.
3. We are not required to pay PAC registration fees, which was requested in a letter sent to our office on June 1.

Please contact Chelsey Smith (816-374-5447) at your earliest convenience to confirm receipt of this correspondence and to let me know if there are any concerns regarding this termination.

Sincerely,

David Welte
