To Whom It May Concern:

On the last minute contributions report covering October 22 through October 27, the Bluestem Fund reported a \$15,000 contribution from the Kansas Contractors Association on October 27, 2010. This same contribution was also inadvertently reported a second time on the daily last minute report for October 28. Please disregard the second entry.

Please accept my apologies for the oversight.

Sincerely,

A handwritten signature in black ink, appearing to read "Wil Leiker", written in a cursive style.
