Dear Ruth,

Thank you for taking the time to work through my questions. As we discussed, our PAC is not active and we have made no payments nor have we received any contributions during this calendar year. Please consider this email to be our request to terminate our registration. You advised that there is approximately \$123.00 or so in our account and I requested that a check be made payable to "Great Plains Chapter, SCI" for the balance. We will place that money into our operating account.

I further understand that we not need to do anything further and that our PAC will be dissolved. If this is not your understanding of what we discussed, or if we need to do anything further, please let me know.

I really do appreciate speaking to someone that obviously knows what they are doing and is so efficient. Thank you.

Pat
